

Project „ELPIDA“ – short info / Feb. 2016

Many little people in many little places doing many little things ...

„ELPIDA-FOR-IRAKLIA“ is a small private non-profit organization supporting people on the small Cyclades Island of Iraklia who are in need because of the severe economic crisis in Greece.

Together with our branch in England we were able to raise € 9050,- since July 2012, supporting or enabling the following:

- **2012:** Paper, colors, games and other materials for creativity in school
- **2013:** School roof repair (water damage)
- **Regularly since 2013:** Basic medical supply for the whole island via www.griechenlandhilfe.at * Extra payments to the care fund for an elderly lady
- **2014:** School: Interactive whiteboard and projector and chairs for visitors *** A new souvenir shop in *Aghios Giórgos* offers my stationery with the best local underwater motifs
- **2015:** Fax and cartridges for the doctor's office * School: Educational trip to Athens * Solar lamps for the ancient castle
- **2016:** Facelift for Tourkopígado beach * Shelves for the new school * Food parcels for families

We decide together how to use the money best, and the people of Iraklia always contribute a considerable share by volunteered work or donations!!!
